SR University Academic Handbook

SR University, Ananthasagar, Hasanparthy, Warangal - 506371, Telangana, India
Established under the Telangana State Private Universities (Establishment and Regulations) Act 2018, Telangana Act No: 11 of 2018
(870) 281-8333/8311 | info@sru.edu.in

1. About SR University

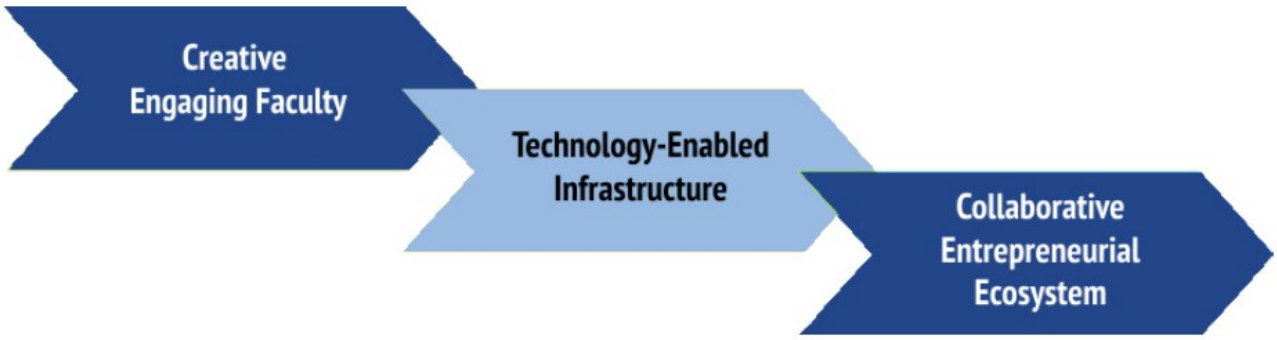

Sri Rajeshwara Educational Society, the parent body of SR University is a 50-year-old conglomerate of educational institutions with more than 90,000 students and 17,000 teaching and non-teaching staff members. SR Educational Academy governs 95 Educational Institutions across Telangana and Andhra Pradesh.

The goal of SR University is to create an innovative learning educational ecosystem whose graduates significantly contribute to the growth of Telangana and India. We plan to transform the educational system through three key differentiators.

SR University is one of the first Private Universities established under the Telangana State Private Universities (Establishment and Regulations) Act 2018, Telangana Act No: 11 of 2018.

1.1 Key Differentiators

At the core of SRU, exceptional faculty engage students in new experiences through innovative teaching approaches. SRU is home for such faculty who are ever curious to question existing knowledge, push the boundaries of understanding through research, and incorporate innovative teaching- pedagogies for better learning experiences.

Coupled with our exceptional staff, technology-enabled infrastructure provides a foundation for entrepreneurial learning through experimentation. Cutting-edge technology is embedded in classrooms and laboratories, helping students familiarize themselves with the latest technological trends in the market.

The collaborative entrepreneurial ecosystem provides curricular, co-curricular, and extra-curricular opportunities for everyone to contribute, thrive and create a lasting impact. The system includes strong ties with industry and international educational institutions.

1.2 Key Elements of the SRU Ecosystem

Agility to react to industry needs: Flexibility in SRU curriculum enables students to opt for courses that spike their interest. The university status brought agility to initiate an array of new programs to make it more industry relevant.

- Break the departmental silos
- Create a vibrant learning ecosystem
- Diversify the nature, range and scale of activities & Programs

- Emphasize entrepreneurship and research culture

1.3 Vision

To accelerate the pace of transformation and advancement of the regional innovation ecosystem through academic excellence, industry relevance, and social responsibility.

1.4 Mission

- 1. Produce technically competent, industry- ready, and socially conscious leaders.
- 2. Engage in path-breaking research and disseminate the outcomes.
- 3. Collaborate with Industry, Government, and non-profit organizations for the benefit of the community.

1.5 Regional Ecosystem

- Tri-city area of Warangal-Hanamkonda-Kazipet is a highly developed, economically active part of Telangana.
- Warangal stands to become a significant player in the regional and state development - a potential hub for services sector (IT, ITeS, Tourism and Hospitality, and Textiles and Food processing)
- IT SEZ, Cyient, Tech Mahindra, Quadrant Resource, Kakatiya Mega Textile Park and Smart City initiatives are significant movers that have helped the area to develop rapidly.
- SRU has been an active player in the development of the regional ecosystem by engaging regional stakeholders with innovative initiatives.

With the University status, SRU strives to :

- 1) Quickly address the regional needs (farming, textile, incubation).
- 2) Collaboratively create living-learning regional communities to experiment, learn and co-create new technologies.
- 3) Increase and accelerate the community reach to positively impact many lives.
- 4) Educate students from the region as well as attract students from other parts of India.

2. Leadership

2.1 Sri A. Varada Reddy - Chancellor

Sri A. Varada Reddy is a pioneer in providing quality education and his efforts have transformed the lives of many youngsters. A man known for discipline and vision; Sri Varada Reddy has been serving the field of education since 1976. With his unstinted efforts, SR has become a trusted brand name in Telangana. Under his leadership, 95 educational institutions, including schools, junior colleges, degree colleges and professional colleges across Telangana and Andhra Pradesh are fostering excellent standards of education to young minds, shaping them into intellectuals. Sri. Varada Reddy has defined quality consciousness coupled with ethical practices as the DNA of SR group.

2.2 Sri A. Madhukar Reddy - Pro - Chancellor

Sri A. Madhukar Reddy serves as the General Secretary of Sri Rajeshwara Educational Society, a 49 year old group of educational institutions which oversees SR University. Under his leadership, the Sri Rajeshwara Educational Society governs 185 schools, junior colleges, engineering colleges and a university throughout Telangana, Andhra Pradesh and Karnataka with over 100,000 students, 500,000 alumni and 10000 faculty and staff. It is because of the faith and belief of generations of parents in SR values, they have entrusted SR group of institutions with the care and education of their children. SR is synonymous with practical, industry focused education, and attracts the best students which is evident from the fact that the alumni are working at premier organizations in India and overseas.

2.3 Prof. Deepak Garg - Vice Chancellor

Prof. Deepak Garg is PhD in Computer Science with specialization in Efficient Algorithm Design. With 25 years of experience he has worked as Professor and Dean, School of Computer Science at Thapar Institute of Engineering and Technology, Patiala and Bennett University, Greater Noida. He is Distinguished Professor in Artificial Intelligence and known as one of the top voices in the country on AI. He is regular Blogger in Times of India with a nickname of "Breaking Shackles" and writes about Higher Education landscape and AI. He is on the Advisory Committee of AIRAWAT, Super Computing Mission of Govt of India to create a 1 Exaflop backbone infrastructure for the country. He has represented on various Committees at NAAC, NBA, UGC and AICTE. Working with Startup Founders is his passion and he serves on tech advisory board of Drishya.ai, ByteXL and Global AI Hub. He is the only CAC ABET Commissioner from the country and has served as PEV from last six years. He has been in the Board of Governors of IEEE Education Society, USA. He served as Chair IEEE Computer Society, India Council and IEEE Education Society, India Council. He is on Academic Councils, Board of Studies of various institutions.

2.4 University Officers and Deans

Name	Designation	Area
Dr. V.Mahesh	Pro Vice Chancellor	-
Dr. P. Venkata Ramana Rao	Registrar	-
Dr. R.Archana Reddy	Dean	Operations & Growth
Dr. G.Shyamala	Dean	Planning
Dr. J.Ajayan	Dean	PG Studies
Dr. Shivani Goel	Dean	Mentoring
Dr. AVV.Sudhakar	Dean	Students Welfare
Dr. Sheshikala Martha	Dean	School of Computer Science & Artificial Intelligence
Dr. Md. Mujahid Irfan	Dean	School of Engineering
Dr. G.Bhupal Raj	Dean	School of Agriculture
Dr. Sujoy Saha	Dean	School of Sciences and Humanities
Col B S Rao	CEO	SR Innovation Exchange(SRiX)
Dr. P.V Raja Shekar	Director	Internal Quality Assurance Cell
Prof. G. Swamy Reddy	Director of Evaluation	-
Dr. Ram Raghotham Rao Deshmukh	Senior Director	Admissions and Marketing
Dr. Srinivas Aluvala	Dean	Academics
Dr. B. Girirajan	Dean	Innovation and Startups

2.5 Board of Advisors

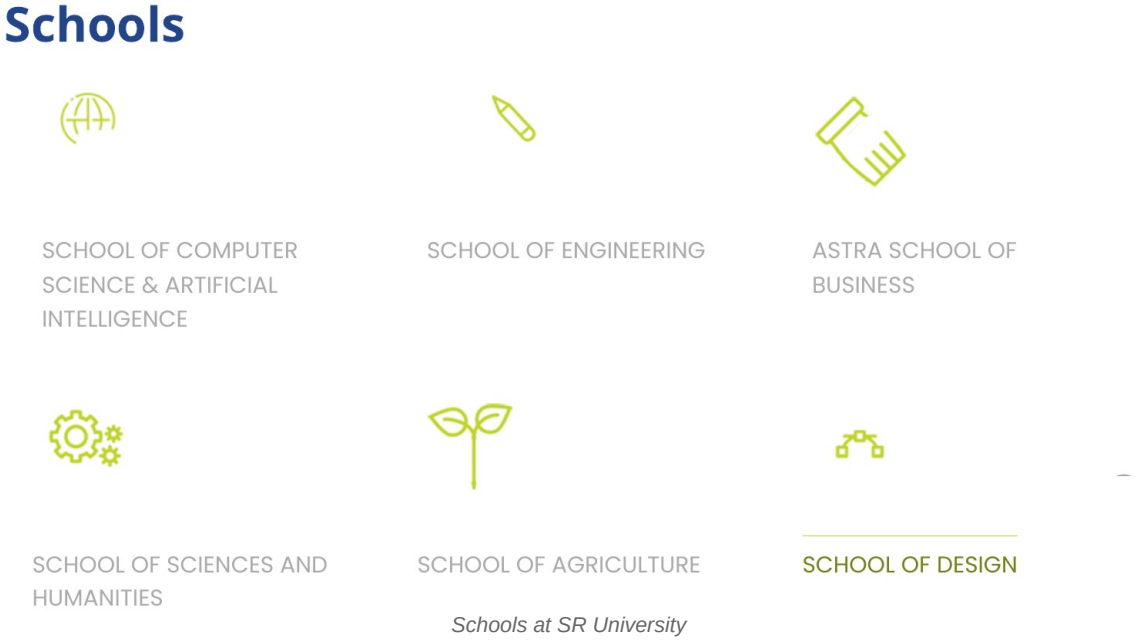

Name	Position and Institution
Sri. Jayesh Ranjan	Principal Secretary, Industries & Commerce and Information Technology Departments, State Government of Telangana
Prof. Krishna Vedula	Professor & Dean Emeritus, University of Massachusetts Lowell, USA
Dr. O.N. Tiwari	Principal Scientist, ICAR-Indian Agricultural Research Institute, New Delhi
Prof. Sridhar Condoor	Department of Mechanical & Aerospace Engineering, Saint Louis University, USA

Name	Position and Institution
Prof. Santhosh Pandey	Associate Professor, School of Computer Science, Georgia Tech , USA
Prof. Sanjeev Khanna	Professor of Mechanical & Aerospace Engineering, University of Missouri, Columbia
Prof. Rajesh Vasa	Head of Translational Research & Development Applied Artificial Intelligence Institute, Deakin University, Australia
Dr. Haim Levkowitz	Chair, Computer Science Department, UMass Lowell, USA
Prof. G R C Reddy	Ex-Vice-Chancellor of SR University

3. Schools, Centers and SRiX

3.1 Schools

Schools
SCHOOL OF COMPUTER SCIENCE & ARTIFICIAL INTELLIGENCE
SCHOOL OF ENGINEERING
ASTRA SCHOOL OF BUSINESS
SCHOOL OF SCIENCES AND HUMANITIES
SCHOOL OF AGRICULTURE
SCHOOL OF DESIGN

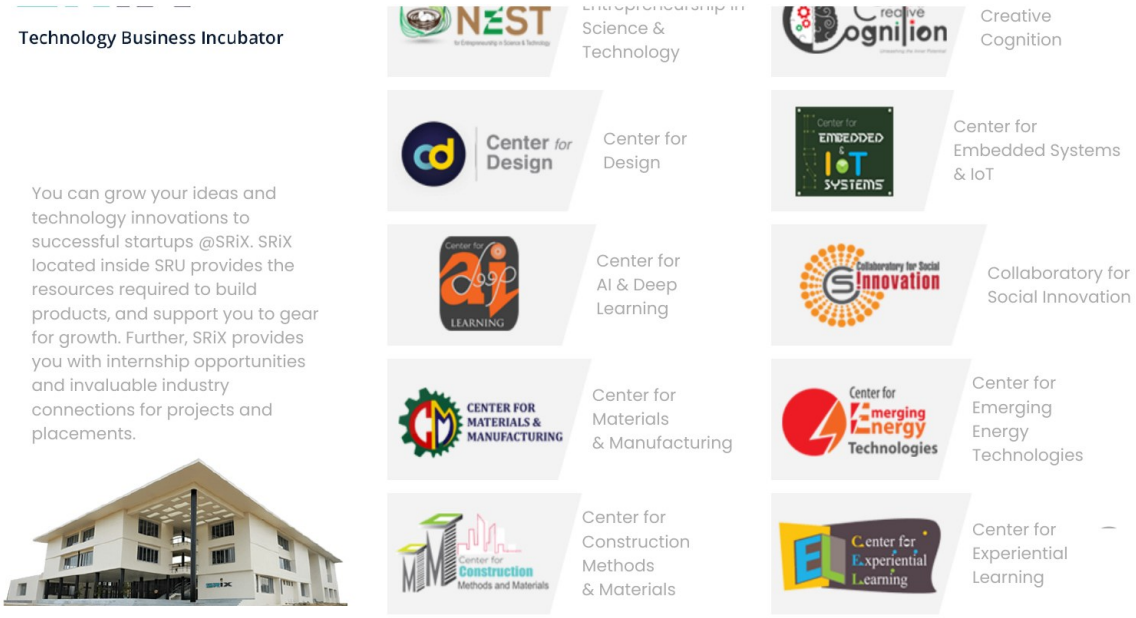

Schools at SR University

3.2 SRiX - Technology Business Incubator

You can grow your ideas and technology innovations to successful startups @SRiX. SRiX located inside SRU provides the resources required to build products, and support you to gear for growth. Further, SRiX provides you with internship opportunities and invaluable industry connections for projects and placements.

3.3 Centers

Centers
Nest for Entrepreneurship in Science & Technology
Center for Creative Cognition
Center for Design
Center for Embedded Systems & IoT
Center for AI & Deep Learning
Collaboratory for Social Innovation
Center for Materials & Manufacturing
Center for Emerging Energy Technologies
Center for Construction Methods & Materials
Center for Experiential Learning
Center for Nanomaterials
Center for Informetrics & Statistics

SRiX and Centers at SR University

4. Programmes Offered

SR University offers programmes under the International Engineering Program (IEP), the International Business Accelerated Program (IBAP), Accelerated Masters Programs, Bachelors, Masters, Ph.D., Post-Doctoral and D.Sc. categories.

4.1 International Engineering Program (IEP)

Programme	Collaboration
Computer Science and Engineering (CSE)	In collaboration with USA Universities
Electronics and Communication Engineering (ECE)	In collaboration with USA Universities

Pattern	Year	Location
Option 1	Year 1st, 2nd & 3rd	Study at SR University
	Year 4th	Transfer to Top USA Universities
(OR) Option 2	Year 1st & 2nd	Study at SR University
	Year 3rd & 4th	Transfer to Top USA Universities
(OR) Option 3	Year 5th (Optional)	Master's Degree (MS) from Top US Universities

Eligibility Criteria for IEP Admission

- Candidate should obtain at least 70% of marks in the subjects specified taken together at 10+2 pattern.
- Students with Physics, Chemistry and Mathematics (PCM) are eligible for all B.Tech. programs.
- Candidates have to be successful in SRSAT (SR Scholastic Assessment Test)/ JEE-Main/ State Level Engineering Entrance Exams across India including EAPCET(EAMCET)/ Merit in Sports/ Cultural Activities.

4.2 International Business Accelerated Program (IBAP)

Dual Degree 3+2: BBA + MBA/ MS (Finance/ Business Analytics)

Year	Location
Year 1st, 2nd & 3rd	Study at SR University to get a BBA degree
Year 4th, 5th	Transfer to University of Massachusetts Lowell, USA to get a MBA/ MS degree in Finance / Business Analytics

Note: Collaboration with University of Massachusetts Lowell, University of New Haven, University of Missouri, University of Central Missouri.

Eligibility Criteria for IBAP Admission

- Candidate should obtain at least 60% of marks in the subjects specified taken together at 10+2 pattern.
- Students with Physics, Chemistry and Mathematics (PCM) are eligible for all B.Tech. programs.
- Candidates have to be successful in SRSAT (SR Scholastic Assessment Test)/ JEE-Main/ State Level Engineering Entrance Exams across India including EAPCET(EAMCET)/ Merit in Sports/ Cultural Activities.

4.3 Accelerated Masters Program

Programme	Structure	Eligibility
Accelarated MS in Computer Systems Technology	3.5 Years: BTech Study at SR University 1.5 Years: Transfer to Partner university	Candidate should obtain at least 6.5 CGPA TOEFL - 61 IELTS - 6 No Backlogs. Open to All BTECH students
Masters in International Agribusiness Management	4 Years: B.Sc. (Hons). Agriculture at SR University 1 Year: Master Degree at International School of Agri Management(ISAM), Spain	Candidate should obtain at least 65% in SRU Language requirements - case to case basis. Open to Agri Students
MS in Finance MS in Public Administration Professional MBA	2.5 Years: Study at SR University 1.5 Years: Transfer to Partner university	Eligibility Criteria for PMBA, MS Finance, MPA Program Admission: Candidate should obtain at least 65% in SRU Language requirements - case to case basis. Only for BBA students
MS in Computer Science	3.5 Years: Study at SR University 1.5 Years: Transfer to University of Florida,Florida, USA	Candidate should obtain at least 7.5 CGPA ,TOEFL - 80,GRE - 305. Only for BTECH CSC students

4.4 Bachelors Programs

B.Tech.

Programme
B.Tech. (Computer Science and Engineering)
B.Tech. (Computer Science and Engineering) - Artificial Intelligence & Machine Learning
B.Tech. (Computer Science and Engineering) - Cybersecurity
B.Tech. (Computer Science and Engineering) - Data Science
B.Tech. (Electronics and Communication Engineering)
B.Tech. (Electronics and Communication Engineering) - Artificial Intelligence & Machine Learning
B.Tech. (Electronics and Communication Engineering) - VLSI
B.Tech. (Electrical and Electronics Engineering) - In partnership with Siemens
B.Tech. (Electrical and Electronics Engineering) - Electric Vehicles
B.Tech. (Mechanical Engineering) - In partnership with Cyient
B.Tech. (Mechanical Engineering) - Robotics and Automation
B.Tech. (Civil Engineering) - In partnership with DivyaSree NSL infrastructure

Eligibility Criteria for B.Tech. Admission

- Candidate should obtain at least 60% marks in 10+2 (Telangana students) and 60% marks (students from other states) in the subjects specified taken together.
- Students with Physics, Chemistry and Mathematics (PCM) are eligible for all B.Tech. programs.
- Candidates have to be successful in JEE-Main/ State Level Engineering Entrance Exams across India including EAPCET(EAMCET)/ Merit in Sports/ Cultural Activities.

Programme	Eligibility
Bachelor of Interior Design Bachelor of Fashion Design	**Eligibility Criteria for Bachelor of Design (B.Des.):** Candidate should obtain at least 55% of marks at 10+2 pattern.
B.Sc. (Hons.) Computer Science B.Sc. - (Physics | Chemistry | Mathematics | Forensic Science)	**Eligibility Criteria for B.Sc (Hons.):** Candidate should obtain at least 55% of marks at 10+2 pattern. Students with Physics, Chemistry and Mathematics / Biology (PCM/B) Two years Diploma in Agriculture / Seed Technology after 10th class or equivalent with a first class
B.Sc. (Hons.) Agriculture	**Eligibility Criteria for B.Sc (Hons.) Agriculture:** Candidate should obtain at least 55% of marks at 10+2 pattern. Students with Physics, Chemistry and Biology Two years Diploma in Agriculture / Seed Technology after 10th class or equivalent with a first class
Bachelor of Business Administration (BBA) BBA - Bachelor of Business Administration BBA - Marketing BBA - Finance BBA - Business Analytics	**Eligibility Criteria for BBA Admission:** Candidate should obtain at least 50% of marks in 10+2 pattern. Qualify in a written test and an interview conducted by the University.
Bachelor of Computer Applications (BCA)	**Eligibility Criteria for BCA Admission:** Candidate should obtain at least 50% of marks in 10+2 pattern. Qualify in a written test and interview conducted by University.

Programme	Eligibility
B.Com. Bachelor of Commerce	**Eligibility Criteria for B.Com Admission:** Candidate should obtain at least 50% of marks in 10+2 pattern. Qualify in a written test and an interview conducted by the University.

4.5 Masters Programs

M.Tech

Programme
M.Tech. (Computer Science and Engineering)
M.Tech. (CSE) - Artificial Intelligence & Machine Learning
M.Tech. (ECE)- VLSI
M.Tech. (ECE) - Embedded Systems
M.Tech. (ECE)- Electronic Design Technology
M.Tech. (EEE)- Power Electronics
M.Tech. (ME) - Advanced Manufacturing Systems
M.Tech. (CE) - Construction Technology & Management

Eligibility Criteria for M.Tech. Admission

- B.Tech. with 55% aggregate and above in the corresponding discipline of Engineering / Technology.
- For M.Tech. Programs, any M.Sc/ MCA or B.Tech.. in any Branch of Engineering are eligible.
- Based on the merit rank in SRSAT/ PGCET / GATE.

M.Sc. (Agriculture)

Programme
M.Sc. (Agriculture) - Agronomy
M.Sc. (Agriculture) - Genetics and Plant Breeding
M.Sc. (Agriculture) - Horticulture
M.Sc. (Agriculture) - Agricultural Extension
M.Sc. (Agriculture) - Agricultural Entomology

Eligibility Criteria for M.Sc. Admission

- B.Sc. / B.Tech. with 55% aggregate and above in the corresponding discipline.
- For M.Sc. Programs, any B.Sc. / B.Tech.. in any Branch of Engineering are eligible.

MCA, MBA and M.Sc.

Programme
Master of Computer Applications (MCA)
Master of Business Administration (MBA)
M.Sc. (Computer Science)
M.Sc. (Bio Chemistry)
M.Sc. (Statistics)

Programme
M.Sc. (Physics)
M.Sc. (Chemistry)

Eligibility Criteria for MCA, MBA, M.Sc. ,M.A. Admission

- Candidate should obtain at least 55% of marks in the qualifying examination.

4.6 Doctoral - Ph.D. Programs

School	Ph.D. Areas
School Of Computer Science & Artificial Intelligence	Computer Science and Engineering | Artificial intelligence | Mathematics | Statistics
School of Engineering	Electronics and Communication Engineering | Electrical and Electronics Engineering | Civil Engineering | Mechanical Engineering | Material Science | Sustainable Development | Disaster Management and Mitigation
School of Business	Management | Entrepreneurship
School of Sciences and Humanities	English | Physics | Chemistry | Cognitive Science | Liberal Arts | Indian Knowledge Systems | Linguistic science and Technology | Cultural Studies | Literary Studies | Biotechnology
School of Agriculture	Agriculture | Agronomy | Horticulture | Genetics & Plant Breeding | Entomology | Plant Pathology | Soil Science | Agricultural Economics | Agricultural Extension

Eligibility Criteria for Ph.D. Admission

- Masters Degree with minimum of 55% marks or 6.0 CGPA in the appropriate discipline for General / OBC (Non-Creamy Layer) Students.
- Masters Degree with minimum of 50% marks or 5.5 CGPA in the appropriate discipline for OBC / SC / ST / PH Students.
- Based on the merit rank in SRSAT and followed by an Interview. The candidates who qualify in NET / SET / SLET / GATE are exempted from the written test.
- Direct PhD admission (after 4 years B.Tech) with 75% or 7.0 CGPA

  Note: The Chancellor's Fellowship (₹1,00,000/month) is only for full-time PhD scholars in CSE & AI with strong coding skills and good knowledge of AI/ML applications. All other applicants to the full-time PhD program, including in CSE & AI, can apply for the Regular Fellowship (₹40,000/month).

4.7 Post-Doctorate Programs

School	Post-Doctorate Areas
School Of Computer Science & Artificial Intelligence	Computer Science and Engineering | Artificial intelligence | Mathematics | Statistics
School of Engineering	Electronics and Communication Engineering | Electrical and Electronics Engineering | Civil Engineering | Mechanical Engineering | Material Science | Sustainable Development | Disaster Management and Mitigation
School of Business	Management | Entrepreneurship
School of Sciences and Humanities	English | Physics | Chemistry | Cognitive Science | Liberal Arts | Indian Knowledge Systems | Linguistic science and Technology | Cultural Studies | Literary Studies | Biotechnology
School of Agriculture	Agriculture | Agronomy | Horticulture | Genetics & Plant Breeding | Entomology | Plant Pathology | Soil Science | Agricultural Economics | Agricultural Extension

Eligibility Criteria for Post-Doctoral Programs Admission

- Ph.D. holders in relevant academic disciplines

Research Focus Areas

- Cutting-edge research and high-impact publications
- Collaborative, interdisciplinary project work
- Innovative approaches with access to funding opportunities

Benefits

- Enhancement of personal career and academic brand
- Expert mentorship and expanded professional network
- Strong academic recognition and Research Outcome
- Opportunities for collaboration across disciplines

Special information

- The Post-Doctorate program is offered in a remote mode. However, highly motivated candidates may apply for a full-time fellowship.
- The duration of Post-Doctorate program from 6 Months to 3 Years (maximum)
- The semester fee (for 6 months) for the Post-Doctoral program is ₹1,000.

  Note: Full-time PDF scholars will receive a monthly fellowship as follows: 1. ₹60,000 for Science, Humanities, and Management disciplines 2. ₹70,000 for all Engineering branches 3. ₹1,20,000 for Computer Science. The fellowship is initially awarded for a period of six months and may be extended for an additional six months based on satisfactory performance and evaluation. The stipend is subject to variation based on the quality of publications and the candidate’s academic credentials.

5. Campus Life @ SRU

5.1 Sports

Beyond academics, SR University offers a vibrant ecosystem in a serene setting. The engaging and enriching atmosphere inclues a diverse set of activities that cater to different student interests.

The Sports Program at SRU is designed to serve student interest in different sports and recreational activities. These interests are competitive, recreational or instructional in nature.

With a firm belief that a sound mind resides in a sound body, students have access to the following facilities:
DEPARTMENT OF PHYSICAL EDUCATION

Cricket	Basket Ball	Football
Throw Ball	Kho Kho	Kabaddi
Table Tennis	Badminton	Volley Ball
Chess	Carroms	

Cricket

SRU has a history of conducting SR cricket Champions Trophy from past 16 years, various university & engineering colleges in south India will participate in the tournament.

5.2 Hostels

Well furnished with a hygienic environment and are equipped with ACs, Wifi facility, TV Room, Visitor Rooms, Game Room, Study room, Round the clock medical Access, gym, USB outlets, etc.

S R University has separate hostels for both boys and girls on campus. The hostels offer various services that make students feel safe and comfortable. The rooms are well furnished and equipped with wifi facility | TV room | Visitors lounge | Indoor games room | Study room | Gym | USB outlets | Round the clock medical access | Stationary shop | Laundry.

Protected drinking water, state-of the-art kitchen, spacious dining hall, well ventilated rooms are available. Rooms accommodating 3 per room with AC/Non AC are available.

Hostel features: Comfy & Stylish | Tasty & Healthy | Fun & Friends | Safe & Secure | Health & Wellness | Smart & Connected | Picturesque Serene

Comfy & Stylish

Clean, spacious rooms are a perfect space for you to cozy and relax. The well-designed space displays a sense of openness and contemporary style. Platform beds offer large storage space under beds.

6. Placements and Training

Graduates find exceptional placements across India as well as abroad. They are sought after and rewarded with good pay packages.

Highlight	Value
Highest Package	51 LPA
Top 10 percentile Average Package	21 LPA

Beeraboina Shiva Krishna	CSE - 2025	51 LPA	Microsoft

6.3 Student Testimonial

"Excited to share that I'll be joining the Microsoft Talent Team full-time with a 51 LPA package after a successful internship! Grateful to my manager, mentor, team, and SRU's Department of Placement and Training for their constant support. Proud to be part of Microsoft, contributing to innovations across Microsoft 365, Teams, Word, and the broader Microsoft Office ecosystem!" - **Shiva krishna**, CSE - AI

6.4 Center for Student Services and Placements (CSSP)

The Centre for Student Services and Placements (CSSP) coordinates the placement activities at SR University. The Centre ensures smooth functioning of placement activities on campus, and facilitates training activities of the students. It makes sure that all eligible and interested students are given the best support in getting placed. Leading companies across various disciplines visit SRU for campus placements. At SR University, it is our incessant endeavor to make all our students industry ready.

The CSSP has designed a campus recruitment training program and is delivering from the first year onwards. The focus areas @ CSSP include communication skills, soft skills, programming, aptitude and logical reasoning training. Boot camps in summer, professional certifications, hackathons and coding competitions are part of the center's efforts in ensuring valuable student placement opportunities.

For any queries or assistance: **director.placements@sru.edu.in**

6.5 Career Guidance Cell (CGC)

The CGC supports students in identifying their interests and strengths, and plans appropriately to justify their professional needs. SRU students are trained in niche technologies that separate them from the ordinary, leading them to a successful career.

6.6 Internships

Many Industries and start-ups provide internship opportunities to our students in the summer break and their final semester. The interns are thus exposed to latest technologies and also get a feel of corporate working culture, while they begin building their very own corporate network.

6.7 Recruiters

Recruiters

6.8 Industrial Tie-ups

7. Awards and Recognitions of Excellence

Award / Recognition	Details
Rankings	Times Higher Education Sustainability Impact Ratings 2026: Overall Category - Ranked in 401-600 Band Globally & 24 Among Indian Institutions. THE World University Rankings 2026 Asia: #351-400 Rank Band; #47 Rank Among Indian Universities (India's Youngest & Fastest Growing University). NIRF Ranking 2025 (Ministry of Education): 91 All India Rank in Engineering Category; 101-150 Rank Band in University Category.
Atal Ranking (ARIIA)	All India 1st Rank among the Private colleges in Atal Ranking of Institutions on Innovation Achievements (ARIIA), an initiative by MHRD, Government of India
Academician Excellence Award	Dean Dr.Suman Naredla, School of Business has been honored with the prestigious 'Academician Excellence Award' 2023-24, conferred by the Hyderabad Management Association.
Incubation Center Award	Effective Practices of Incubation Center by Engineering Institute Award received in 16th World Education Summit at Hyderabad
The Chevening Fellowship	Ms. Sreedevi Devireddy receiving The Chevening Fellowship from Jan Thompson, British High Commissioner to India and Dr.Andrew Fleming, British Deputy High Commissioner Hyderabad, for her exceptional work in the fields of Science, Innovation, Business, and public administration by the Foreign and Commonwealth Office, UK.
The Pride of Telangana Award 2019	Ms. Sreedevi Devireddy received The Pride of Telangana Award 2019, as the emerging women Leader for her work in empowering women entrpreneurship in the state.
IUCEE-EPICS Consortium Award	Received IUCEE-EPICS Consortium Award for the contributions in Social Innovation
IUCEE Showcase Award	Ch Rajendra Prasad received IUCEE Showcase Award under the category Leadership of Teaching and Learning Centre at ICTIEE 2020
National Entrepreneurship Award 2019	Ms. Sreedevi Devireddy receiving the National Entrepreneurship Award 2019 in the Ecosystem Builder Category as Mentor of the year by Shri. Mahendra Nath Pandey, Minister for Skill Development and Entrepreneurship, GoI
Education Leadership Award	Education Leadership Award from 25th Business School Affaire and Dewang Mehta National Education Awards
